

CELLO, BASSOON, TROMBONE..

Carols on your Doorstep with BBC Radio Shropshire will use recordings of the carols, some in awkward keys for young players. Join in with those you can! We have left gaps anyway so you can sing some!!

For the keen beginners, we've added a carol (Jingle Bells) at the end in easier key - the music will sound nice on its own, but won't fit with the radio! Promise!!
